

TUC Library Newsletter – December 2016/January 2017

Each month the Library sends out a brief, online newsletter sharing any current general news and also highlights about different library resources and tools that might be of interest to you. In between Library newsletters, look at the [New in the Library](#) page, or follow the Library on [Facebook](#) for current updates.

Library News

New Librarian starts next week

We are very pleased to announce the arrival of librarian, Alexa Stoneman, who will assume responsibilities as the Access Services & Instruction Librarian on February 13. Duties of this position include management of the Library's circulation, reserves, interlibrary loan and stacks operations. Working with another librarian she will provide instruction, reference and collection support to the College of Pharmacy, the Graduate School of Education, and the School of Nursing and will back-up the Electronic Services Librarian to ensure timely activation, maintenance, troubleshooting for the many e-resources/databases licensed by the Library. Ms Stoneman brings to this position extensive experience in academic and school librarianship. Please stop by to welcome her and introduce yourself to her. Her office will be in Library Room 218.

Dennis Forfa Leaving Library

It is with considerable regret that I announce the departure of Library Assistant Dennis Forfa. His last day with the Library will be Thursday, Feb. 16. This is a major loss to the Library. Dennis has been with the TUC Library for 3 ½ years and has been the friendly, professional, knowledgeable and reliable staff member you saw and worked with at the Library Service Desk each morning. Many of you also know him as the Library staff member who responded to, processed and sent you your interlibrary loans. We have been very fortunate to have him as part of the Library staff for all this time and wish him all the best.

Evening Reference Assistance

With the continuation of the Electronic Services Librarian vacancy and the arrival on Feb. 13 of a new librarian, the availability of evening librarian reference assistance will continue to be limited for the time being. For the time being evening reference service to 8 pm will be available on Mondays and Thursday evenings only and other evenings by appointment. Previous evening librarian reference assistance Mondays through Thursdays to 8 pm will resume when the Library is again fully staffed.

Maintaining Professional Environment

Your ongoing help and attention in keeping the Library environment professional, welcoming, and conducive to both group and individual study are appreciated.

RESOURCE NEWS

Access to the ASPPH CPH Study Guide

A reminder that the TUC Library provides access to students to the Association of Schools and Programs of Public Health Certified in Public Health Study Guide. The ASPPH CPH study guide provides information

[PsychiatryOnline Complimentary Book of the Month, February 2017](#)

Casebook of Neuropsychiatry

Edited by Trevor A. Hurwitz, M.B., Ch.B., and Warren T. Lee, M.D., Ph.D.

Casebook of Neuropsychiatry provides a tour of the subspecialty of neuropsychiatry, which combines neurology and psychiatry to address organic disturbances in the central nervous system that give rise to mental diseases.

By grounding the field of neuropsychiatry in real-life clinical problems, the editors have created a volume that allows psychiatrists, neurologists, residents, and others to update their knowledge of current neuropsychiatric thinking, sharpen their diagnostic skills, and appreciate the nuance and substance of this rapidly growing field.

PubMed changes

TUC Login & LinkOut to PubMed are once again available! This means that the links that show what TUC Library has in full-text are back. If you have any questions or problems please ask one of the librarians for assistance.
