**DO I REALLY NEED A LIBRARY CARD? Yes!** Each student is issued a Library card with a unique barcode on the back of the card. Library cards are needed to check-out reserve and circulating materials and to access the Library's electronic resources off campus. Library cards are available for pick up at the Library Circulation desk. Exceptions: Library cards are mailed to GSOE students at their home address; SON students will receive their cards at orientation.

**DO YOU HAVE A COPY OF MY TEXTBOOK IN THE LIBRARY? Yes, usually!** If possible, the Library acquires all required and recommended textbooks in print and when available, in electronic format. Print reserve materials may be checked out from the circulation desk for 3 hours at a time and must be used in the Library.

#### **WHAT LIBRARY RESOURCES ARE AVAILABLE TO ME?**

The Library has over 165,000 eBooks and approximately 60,000 eJournals, as well as more than 110 databases to help you with your research. If you are off-campus, you will be prompted for your full name and library barcode number when accessing databases remotely.

#### **I THINK I NEED RESEARCH HELP!**

**No Problem!** We are happy to help! Contact your Subject Librarian for assistance.

#### **I FOUND A GREAT ARTICLE (OR BOOK ) THE LIBRARY DOESN'T OWN, CAN YOU GET IT FOR ME?**

**Yes!** Any items you need that are not available through our Library can be ordered through interlibrary loan. This is a free service. Simply complete the online interlibrary loan form located on the Library website. Articles are generally filled in two or three business days and delivered to your @tu account. Books generally take 7-14 days to arrive.

#### **HELP! I NEED A PLACE TO STUDY!**

The Library has two main study areas. The north side is for silent study only. The south side allows an appropriate level of talking for individual or group study. The Library also has nine group study rooms and a conference room. Study room reservations are made via the self-serve iPad located at the circulation desk.

#### **WHAT IS STUDY HALL?**

During Sabbath hours, 30 minutes before sunset Friday night until one hour after sunset on Saturday night, if the Library is open, it operates as a study hall; the computer lab is closed and no materials may circulate including reserve materials.

#### **ARE THERE OTHER EXCEPTIONS TO THE LIBRARY'S HOURS?**

**Yes!** Library hours can change depending on breaks and holidays. For full details please consult the Library website.

#### **CELL PHONES:**

Please no talking on cell phones in the Library, and please put phones on silent or vibrate mode.

#### **FOOD AND DRINK IN THE LIBRARY:**

Food can be consumed only on the south side of the Library and in study rooms. Food is not allowed on the north (silent) side of the Library. Room 206 in the Library has food and beverage vending machines, a sink, a microwave, and a small table and chairs where meals can be eaten.
